Hi BPPD,

See revised OPP Update on Oxitec from OCSPF IO. Especially need your input on the accuracy of the highlighted passage, but any other comments welcome. Please send me your comments by 9 a.m. tomorrow morning. Thanks!

Best,

All- here are my edits. In an effort to save time, I'm sending this version to Andrea and OPP to get all of your edits in one fell swoop. Please note I threw some language together at the very end to convey a few important point- please message! We are game on for issuing this on Thursday as a listserv only. I need to get this to Alex tomorrow along with Q&As, comms plan, etc.
